

- Not answering your questions
- Repeatedly saying that they don't remember or don't know
- Back-tracking or saying they weren't being truthful once they complete the narrative
- Telling fantastical, untrue details during their narrative
- Using excessive time in session to discuss incidents from their week

➤ Tantruming during the session

➤ Running out of the therapy room

➤ Saying that they're bored

➤ Scattered storytelling/Telling parts of multiple events

➤ Other:
