

When NAME was little, he lived with \_\_\_\_\_  
\_\_\_\_\_.

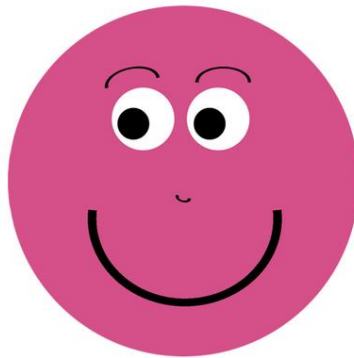

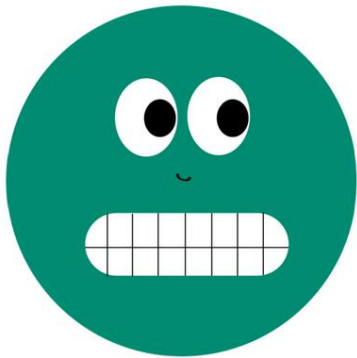

Their house was \_\_\_\_\_.

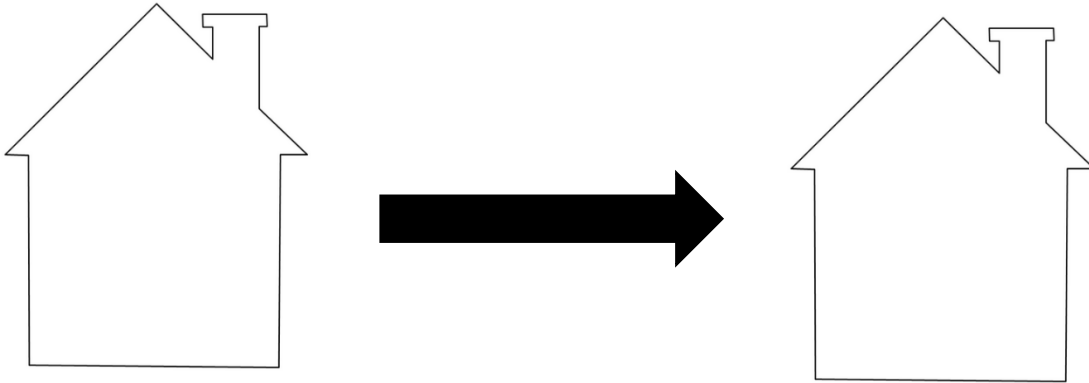

NAME liked \_\_\_\_\_  
\_\_\_\_\_.

NAME did not like \_\_\_\_\_  
\_\_\_\_\_.

NAME felt \_\_\_\_\_ in his old house.

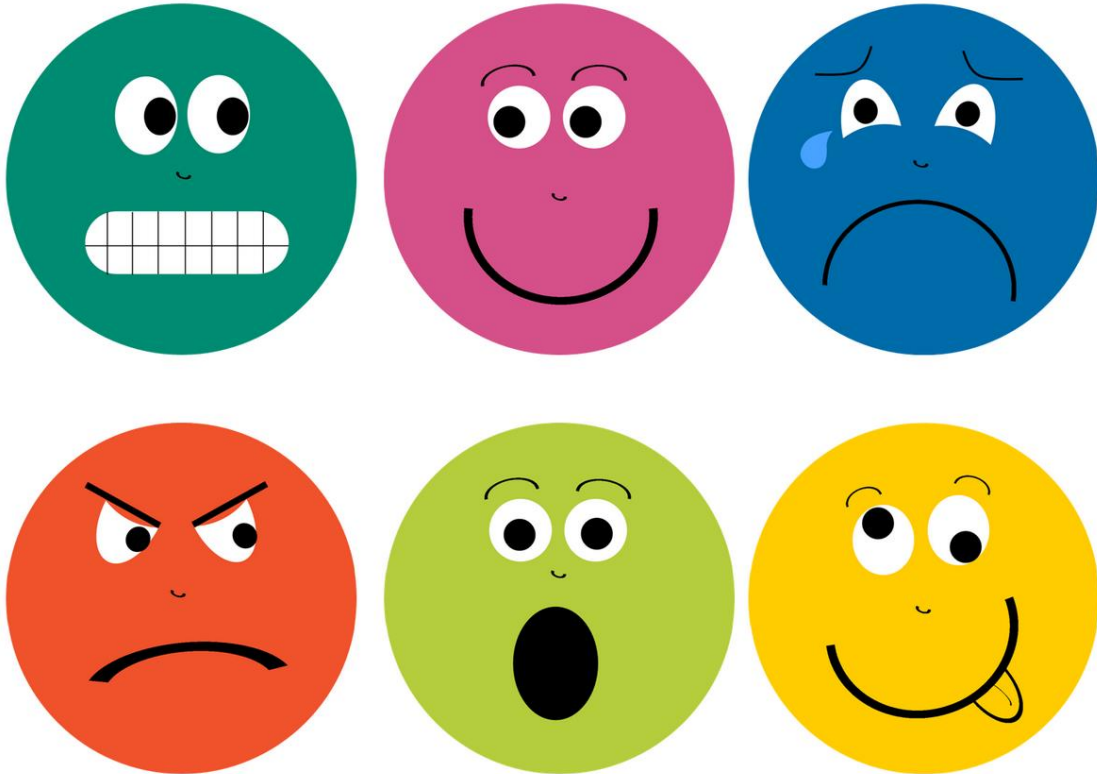

One day, NAME moved to a new house.

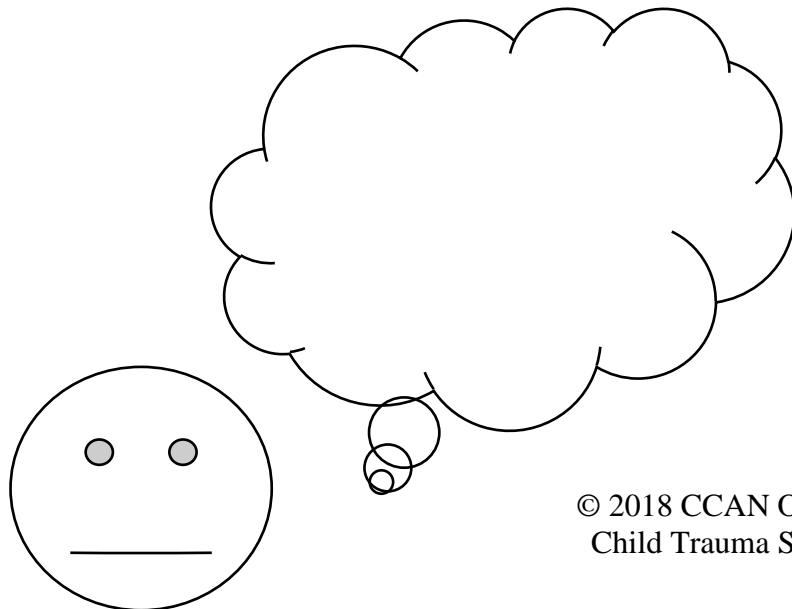

He moved because \_\_\_\_\_  
\_\_\_\_\_.

\_\_\_\_\_ moved NAME  
from his old house to a new house.

When NAME moved, he felt \_\_\_\_\_.

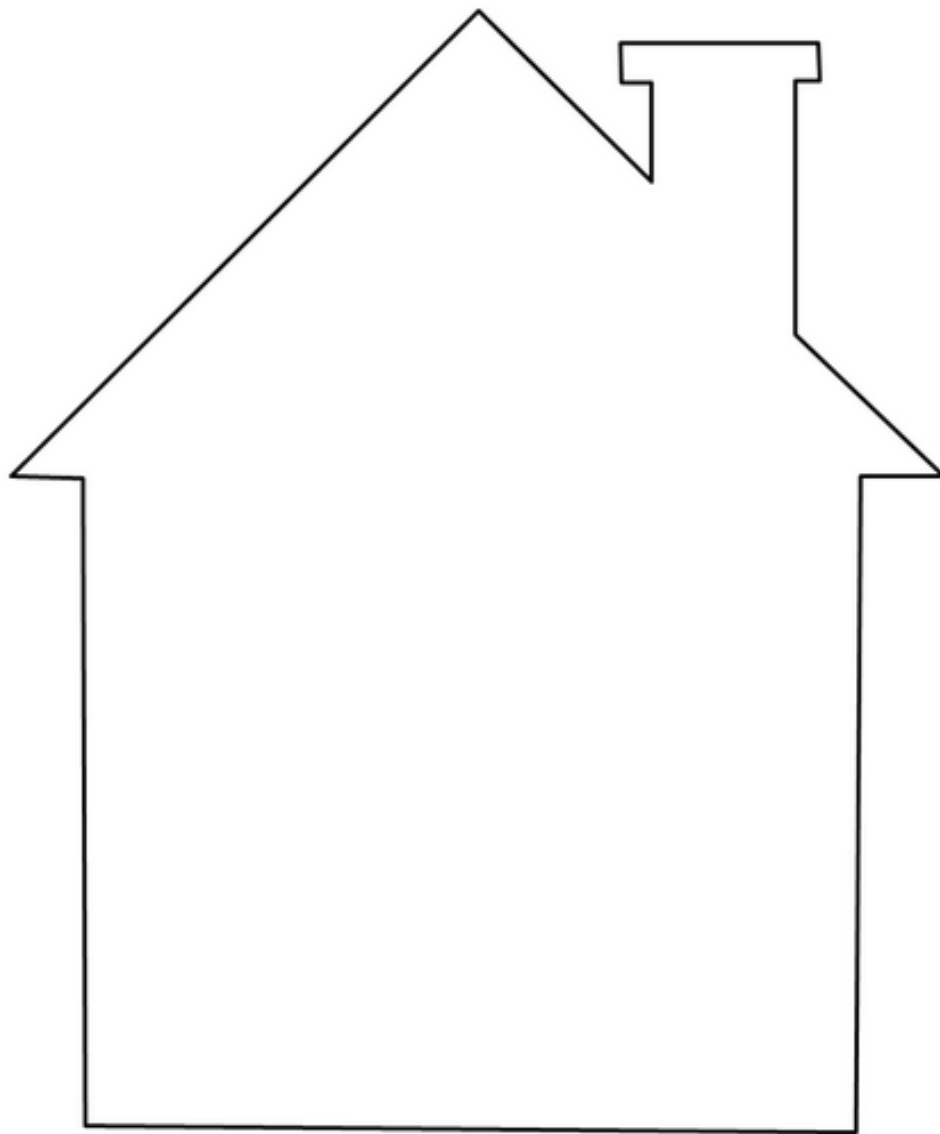

When NAME moved, he thought \_\_\_\_\_  
\_\_\_\_\_.

Now, NAME lives with \_\_\_\_\_  
\_\_\_\_\_.

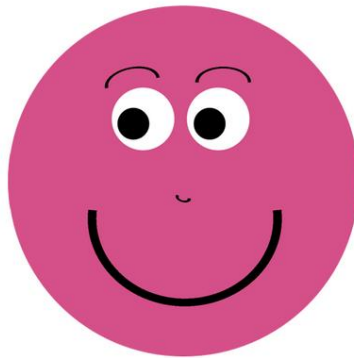

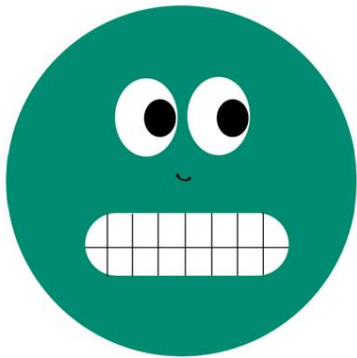

Their house is \_\_\_\_\_.

NAME likes \_\_\_\_\_  
\_\_\_\_\_.

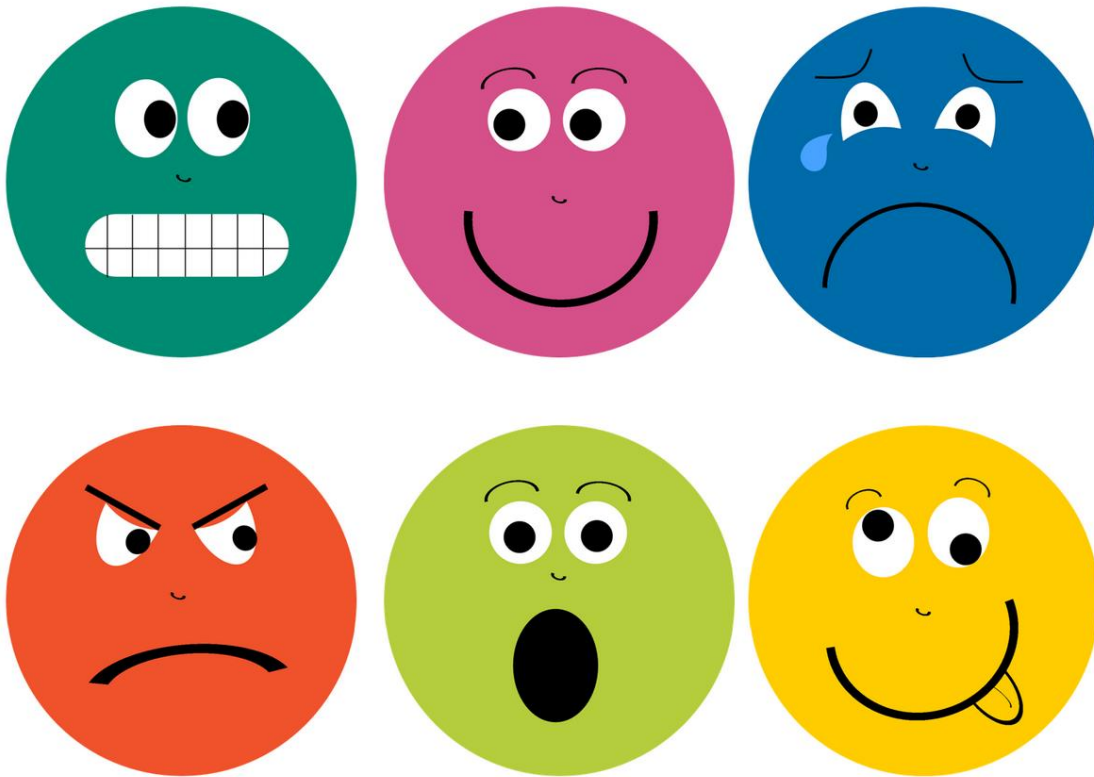

NAME does not like \_\_\_\_\_  
\_\_\_\_\_.

NAME feels \_\_\_\_\_ in his new house.

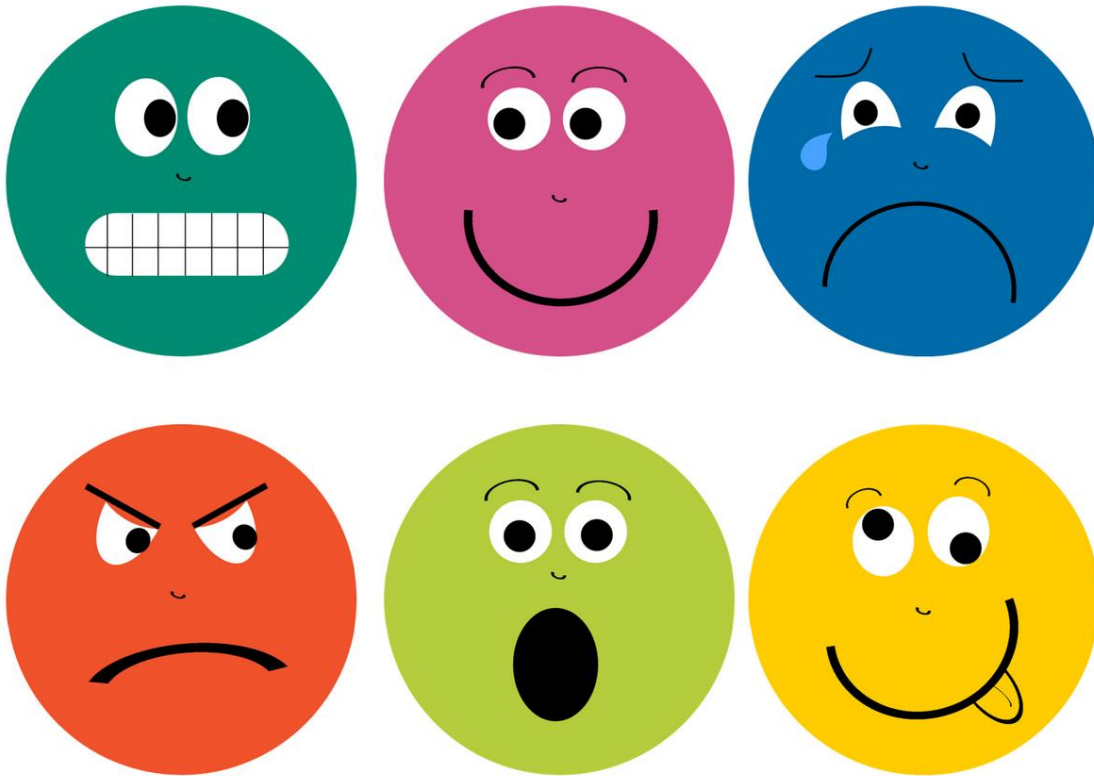

Right now, NAME's mom and dad are \_\_\_\_\_  
\_\_\_\_\_.

When NAME thinks about his mom and dad, he feels \_\_\_\_\_.

Sometimes, NAME misses \_\_\_\_\_  
\_\_\_\_\_.

NAME doesn't know yet where his forever home will be.  
That makes him feel \_\_\_\_\_.

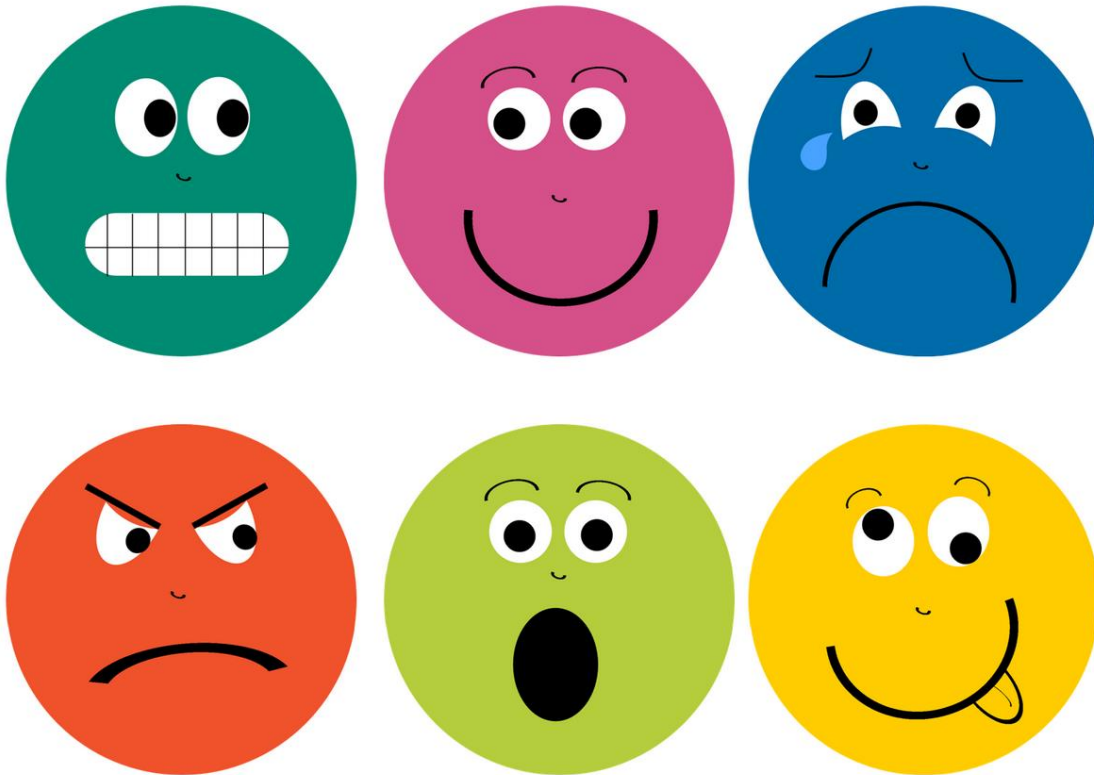

When NAME feels \_\_\_\_\_, he can talk  
to \_\_\_\_\_.

When NAME feels \_\_\_\_\_, he can do  
something he likes – \_\_\_\_\_  
\_\_\_\_\_.

When NAME does something he likes, he feels  
\_\_\_\_\_.
