

PRACTICING ACTIVE LISTENING

Child Says/Does	A word that acknowledges how child might be feeling	Use the word in a statement
"I'd like to punch him in the nose!"	<i>Anger</i>	<i>"Sounds like you are angry."</i>
"I fell at school and everyone laughed at me."	<i>Embarrassing</i>	<i>"That must have been embarrassing."</i>
You find your child crying.		
Your foster child is not able to go on a visit.		
"The other kids are playing soccer, but I am no good at it."		
"I miss my mom."		
"I don't know why you make me eat yucky vegetables."
