

Antecedents	Behaviors	Consequences
<p>To caregiver: What happened before? What led up to it? Any triggers (recent, immediately)? Describe the overall climate/environment (physical and emotional) Stress, structure, routines, changes Relationship/connection time (any positivity)</p>	<p>I want to learn all about the behavior (frequency, duration, intensity). Paint the picture for me. Help me understand it as if I was there. While your child is engaging in the behavior, what are you doing? Saying? Feeling? What's your tone of voice? What is running through your head?</p>	<p>To caregiver: <u>After the behavior(s)</u>, what happened? What did you do? What did you say? What was his/her reaction? How did you feel? What were you thinking? Then what did you do? What happened next? Any praising, ignoring, consequences, or punishment?</p>

To Child:
Right before: What was going on? How were you feeling? Thinking?

To Child:
After X situation (behavior(s)), what happened? What did mom/dad do? How did you feel? What were you thinking?
